Ms. Franne McNeal
HR Energy
P.O. Box 807
Bryn Mawr, PA 19010

Dear Franne:

Thank you for your contribution to a successful year for Mid-New Jersey American Society for Training and Development. You were selected to present to our chapter because of your expertise, energy, and the relevance of your topic to our goals. Your presentation exceeded our expectations and we appreciate your donation of such an excellent program. We are enclosing a summary of the program evaluations for your review.

As a chapter of a non-profit professional association, we serve our members' wide variety of needs and interests. Your program made a positive impact on the attendees, and we are grateful to you for helping our members to learn about and experience a dynamic process. You are an excellent speaker and created a positive energy that we're still talking about. Your topic "Appreciative Inquiry: Focusing on What Works" was appropriate and you related it well to the audience.

We welcome you to join us at our meetings and will give special consideration to excellent speakers you recommend to us. Please visit our website www.midnjastd.org for the latest on our chapter activities.

We are also enclosing a little "thank you" gift for helping our members to stay on the cutting edge with ASTD.

Sincerely,

Kim McConnell
