To Whom It May Concern:

It is with great pleasure that I recommend Ms. Franne McNeal for speaking opportunities for your company, school or organization.

Speakers Etcetera recently booked Franne to speak as a guest lecturer for Cheyney University on December 8, 2007. I received great feedback from our client and their staff, who stated Ms. McNeal, displayed a high degree of integrity, knowledge, and great energy during her presentations. She is definitely a leader in the speaking industry.

She is also a most dependable team player. Her good judgment and mature outlook ensure a logical and practical approach to her endeavors.

Ms. McNeal would be an asset to any event, and I am happy to give her my wholehearted endorsement.

Sincerely,

Denise Jones
